The diagram shows a table mapping five hosts (H1-H4) to VLUNs (A-D). The table has four columns: Host, VE port, LUN #, and VLUN. Brackets above the table group the first three columns together under labels 1202, 1206, and 1208 respectively, while the VLUN column is labeled 1204.

Host	VE port	LUN #	VLUN
H1	*	0	A
H2	*	0	B
H3	*	0	C
H4	0	0	D
H4	1	0	C
